Be very **careful**, then, how
you **live**...

live – walk

live – walk

careful – look around

Be very careful, then, how
you live – not as **unwise** but
as **wise**...

Be very careful, then, how you live – not as unwise but as wise, making the most of every opportunity, because the **days are evil.**

**Therefore do not be foolish,
BUT understand what
the Lord's will is.**

Ephesians 5:15-17

**Be very careful, then, how
you live – not as unwise but
as wise**

What is the **wise** thing
for **me** to do?

In light of my
past experience
what is the wise thing
for me to do?

In light of my
current circumstances
what is the wise thing
for me to do?

In light of my
future hopes and dreams
what is the wise thing
for me to do?
